Railroads Are Prosperous.

Record prosperity for railroads is shown in Interstate Commerce Commission returns for June. One hundred and fifty-three roads reported that their net revenue increased nearly \$8,000,000 over June, 1916.

The Interstate Commerce Commission dismissed the complaint of the Paducah Board of Trade against the Nashville, Chattanooga & St. Louis railway. In doing so it held that the rate of 13 cents per 100 pounds on ice in carload lots from Paducah, Ky., to Martin, Tenn., is reasonable.

Patriotism and Business

Every good citizen at this time should do his share toward strengthening the Federal Reserve Banking System which our Government has created with its billion dollars of resources to stand back of its member banks and all their depositors.

You can contribute directly to the strength of this system, and at the same time secure its protection by depositing your money with us, since part of every dollar you deposit with us goes directly into the new system, where it is

always ready for you when wanted.

This is a suggestion for prompt action.
